Plaintiffs/Consolidated Defendants ("Plaintiffs"), by and through the undersigned
counsel, respond to Defendant/Consolidated Plaintiff Marilyn Monroe LLC's
("Defendant's") Third Set of Document Requests to Plaintiffs, as follows:

GENERAL OBJECTIONS

In addition to specific objections asserted with respect to specific document
requests, Plaintiffs assert the following general objections with respect to each and every
one of Defendant's document requests:

1. Plaintiffs object to the extent that Defendant's discovery requests seek to
impose duties or obligations on Plaintiffs beyond those imposed by the Federal Rules of
Civil Procedure or the Local Rules of the Southern District of New York.

2. Plaintiffs object to the extent that Defendant's discovery requests are overbroad, vague, unduly burdensome, oppressive, ambiguous or otherwise unclear as to the precise information sought.

3. Plaintiffs object to the extent that Defendant's discovery requests are not reasonably calculated to lead to the discovery of admissible evidence and/or calls for information and/or documents that are irrelevant or immaterial.

4. Plaintiffs object to the extent that Defendant's discovery requests seek production of information and/or documents which are no longer in existence or which are not in Plaintiffs' possession, custody or control.

5. Plaintiffs object to the extent that Defendant's discovery requests seek production of information and/or documents, which are dated, were prepared or relate to facts, events or activities that occurred after the commencement of this action.

6. Plaintiffs object to the extent that Defendant's discovery requests seek production of information and/or documents which are publicly available, and/or equally or more readily available to Defendant.

7. Plaintiffs objects to the extent that Defendant's discovery requests seek production of documents, which are subject to the attorney-client privilege, constitute work product, or are otherwise immune from discovery.

8. Plaintiffs objects to the extent that Defendant's discovery requests call for the production of documents that contain sensitive or confidential business information. Any such documents will only be produced after entry of a mutually agreeable protective order regarding confidentiality.

9. Nothing in these responses shall be construed as a waiver or any of the objections contained herein or any privilege or immunity.

10. Plaintiffs object to the extent that Defendant's discovery requests are unreasonably cumulative and duplicative.

11. Any production of information or documents by Plaintiffs in response to Defendant's discovery requests shall not be construed as a waiver of Plaintiffs' right to object to the use of such documents, or their proffered admission into evidence, at trial, or in any motion in other proceedings in or related to this action.

12. If Plaintiffs inadvertently produces information and/or documents that are or may be the subject of any of the objections contained herein, such production is not intended to be, nor shall it be deemed to be, a waiver of objections with respect to such information, documents or any withheld information. Plaintiffs reserves their right to demand the return of such information, including all copies of such documents and any notes, extracts or excerpts pertaining thereto.

13. Plaintiffs' discovery and investigation in connection with this lawsuit are continuing. As a result, Plaintiffs' responses are limited to information obtained up to date, and are provided without prejudice to Plaintiffs' right to amend or supplement its responses after considering information obtained through further discovery or investigation.

14. Plaintiffs object to the production of any documents other than: (i) documents pertaining to Sam Shaw photographic images illustrated in the publications specifically referenced in ¶¶ 23 and 25 of Defendants Third Amended Complaint; or (ii)
